Deputy Commissioner,

To

Secretary to the Government of His Highness

the Maharaja of Mysore, General Department.

Sir,

With refe_ence to correspondence ending with your Docket No. 2007/Muz.460-11 dated 8th February 1917 in the matter of the -- affairs of the Jangam Matt at Mamoolpet, Bangalore City, I have the honor to state that Government in their Proceedings No.506 dated 28th August 1908 ordered with regard to this Matt that the Deputy Commissioner should assume charge of the Institution and all its properties and to submit a scheme for the formation of a suitable committee of persons interested in the affairs of the Institution and to take possession of the Inam land, to arrange for its cultivation and to enquire into the matter of the sale of a shop belonging to the Matt and to report whether the sale was made bonafide to discharge debts due by the matt, and also called for a report as to whether the then ~~then~~ Swami Chitghana Sivacharya was competent and acceptable to the majority of the disciples of the Matt.

2. The Matt with its property has been taken under Government management.

3. The sale of the shop seems to have been a bonafide transaction. The will of Sri Nanjundaswami bequeathing the management to Gurubasappa makes provision for the sale of the shop for the purposes of clearing a debt and the records go to show that the sale was conducted for the said purpose.

Sale (B)

4. The purchaser Mr.Siddla Basappa of Attibele in the Anekal Taluk is unwilling to give it up. It can be seen from the records that the

the sale was proper.

5. Chitghana Sivacharyaswami died on the 2nd December 1911 giving Asrama to one of his boy disciples and appointing him as his successor by will. This is attested by the Panchayat drawn by the people of the community. The succession of the boy Swami to the Matta is approved by the disciples of the matt. This mari swami is now living in Bangalore in the matt under the guardianship of Chennabasava Swami of Sapannaswami matt, who was appointed to the post by the late Chitghana Sivacharya's will.

6. In the meanwhile this mari was taken away by his father and maternal uncle. They were at first unwilling to allow this boy to become the Swami of the matt but subsequently changed their mind and consented to the idea. The uncle of the boy Swami is the petitioner Sivakumaraswami Sarma referred to in your Official Memorandum No.1996/Rus.4o9-11-a dated 27th February 1913, who applied to Government praying for the approval of the nomination of the boy and also the taking of the matt properties under Government management. The man was in voluntary possession of the matt until the same was recently resumed by Government and handed over to the possession of Chennabasavaswami of Sapannaswami matt, the guardian of the minor Swami. As the disciples of the matt are in favour of this arrangement the same may be sanctioned.

7. The list of names of persons who have agreed to constitute a committee for the supervision of the matt affairs is enclosed in the file for the approval of Government.

8. The Inam land endowed to the matt has been handed over to the possession of Chennabasaswami who has agreed to bring it under cultivation with the help of the disciples of the matt in the locality.

9. The payment of the sum of Rs.534/- the expenditure [illegible] towards the maintenance of the "Mari" as settled both by the Amildar and the members of the community, since and December 1911 (the date on which Chitghana Sivacharya died) till end July 1913

(the date on which the matt was handed over to the possession of the guardian)may also be sanctioned out of the rental collections of Rs.800-4-6 reported to be at the credit of the matt A sum of Rs.10/- per mensem may be sanctioned for the upkeep o the Matt and Mariswami out of the rent of Rs.18-4-0 which is being realised at present from the buildings belonging to the matt.

10. The Amildar reports that the members of the Committee are of opinion that if the buildings forming the property of the matt be placed under the management of the guardian Chennabasava Swami,he is willing to increase the rental income of the matt ~~That thereupon~~ fore he has issued notices to the present tenants of the houses that they should vacate the houses for handing over the possession to the said guardian. Sanction is solicited for this proposal provided he agrees to and executes a mutchalika that he will regularly credit all collections to the Matt Funds the amount sanctioned for the up-keep of the Mari Swami and the matt may be ordered to be drawn on bills every month.

11. The connected Vernacular files are herewith submitted for reference and kind return when no longer required.

I have the honor to be,

Sir,

Your most obedient servant.
